Advanced MSI Repackaging Workshop

Part Number: ADS-0850-AT10
Product Release Date: 24 April 2008

Copyright Notice

Copyright © 2001—2008 Aceso Software Inc. and/or InstallShield Co. Inc. All Rights Reserved.

This product contains proprietary and confidential technology, information and creative works owned by Aceso Software Inc. and/or InstallShield Co. Inc. and their respective licensors, if any. Any use, copying, publication, distribution, display, modification, or transmission of such technology in whole or in part in any form or by any means without the prior express written permission of Aceso Software Inc. and/or InstallShield Co. Inc. is strictly prohibited. Except where expressly provided by Aceso Software Inc. and/or InstallShield Co. Inc. in writing, possession of this technology shall not be construed to confer any license or rights under any Aceso Software Inc. and/or InstallShield Co. Inc. intellectual property rights, whether by estoppel, implication, or otherwise.

All copies of the technology and related information, if allowed by Aceso Software Inc. and/or InstallShield Co. Inc., must display this notice of copyright and ownership in full.

Trademarks

Aceso, AdminStudio, FLEXenabled, FLEX/m, FLEXnet, FLEXnet Manager and InstallShield are registered trademarks or trademarks of Aceso Software Inc. and/or InstallShield Co. Inc. in the United States of America and/or other countries. All other brand and product names mentioned herein are the trademarks and registered trademarks of their respective owners.

Restricted Rights Legend

The software and documentation are “commercial items,” as that term is defined at 48 C.F.R. §2.101, consisting of “commercial computer software” and “commercial computer software documentation,” as such terms are used in 48 C.F.R. §12.212 or 48 C.F.R. §227.2702, as applicable. Consistent with 48 C.F.R. §12.212 or 48 C.F.R. §227.2702-1 through 227.2702-4, as applicable, the commercial computer software and commercial computer software documentation are being licensed to U.S. government end users (A) only as commercial items and (B) with only those rights as are granted to all other end users pursuant to the terms and conditions set forth in the Aceso Software standard commercial agreement for this software. Unpublished rights reserved under the copyright laws of the United States of America.

Disclaimer

Information in this document is subject to change without notice. Companies, names, and data used in examples herein are fictitious unless otherwise noted. The provision of such information does not represent any commitment on the part of Aceso Software Inc. and/or InstallShield Co. Inc. Aceso Software Inc. and/or InstallShield Co. Inc. makes no warranty of any kind with regard to this material, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Aceso Software Inc. and/or InstallShield Co. Inc. shall not be liable for errors contained herein or for incidental or consequential damages in connection with the furnishing, performance, or use of this material.

The software described in this document is furnished by Aceso Software under a license agreement. The software may be used only in accordance with the terms of that license agreement. It is against the law to copy or use the software, except as specifically allowed in the license agreement. No part of this document may be reproduced or retransmitted in any form or by any means, whether electronically or mechanically, including, but not limited to: photocopying, recording, or information recording and retrieval systems, for any purpose other than the purchaser's personal use, without the express, prior, written permission of Aceso Software.

Contents

1	Introduction and Overview	7
